

Collective Remarks

Well, its here...2009 has arrived and Delta Dressage is off to great start! At our Annual Year End Awards party we ate, drank and celebrated the successes of many of our members who received awards for their show scores in 2008. Congratulations to all! We have riders at every level competing for the great year end awards we provide for our members! If you were not at the party, you missed the nice wooden totes that Melissa Garner's husband made, and the fabulous zip-up fleece jackets sponsored by Fair Meadows Farm and Image Extensions! Get ready for next year! We have a nice budget for 2009 Year End Awards so plan ahead and be sure to get your scores in! Just put your tests away in a safe place so you can send a copy at the end of the year to Melissa Garner and compete for our awards!

Many, many thanks to Melissa for all that she does for our club. She not only publishes our newsletter, but she spends countless hours preparing for the Silent Auction, and searching for great ribbons and prizes for our awards program. Please let her know how much you appreciate all that she does when you see her. We would be lost without her!

I am sure you know by now that I am your new President! Most of you know me, and know that I dearly love our club, and enjoy so much all of the members and the friendships that I have formed over the last 10 years. Being a club officer is not a very sought after position! It seems that there was no one clamoring for the jobs! We all know that being an officer is a lot of work with very little reward. I know that going into it, and I accepted the nomination and vote to hold this office knowing that it is a position greater than me. I accept the job with a humble heart;

and with the belief that anyone who holds an office is serving the members of the club. I have nothing to

gain, so you can be sure that I am here only to serve you. I hope, in turn, you will take your membership seriously and participate with enthusiasm in 2009! It takes the involvement of all members to make the club successful, so I am counting on YOU to help! Thanks to other new officers, Trish King, Vice-President, and Tina Cimino West, Treasurer.

This club's goal is to promote dressage in our community, and to provide opportunities to increase knowledge and riding skills through educational seminars, clinics, schooling shows and rated shows. We have committees dedicated to each part of our goals, so I hope that as we seek to fill committees, you will consider where you might serve in our club. We have a Show Committee, Clinic Committee, Awards Committee, and a Membership/Communications that need new members for 2009.

Our goal for 2009 is to put together interesting and educational venues for the club. We hope to have more schooling shows, clinics and programs that we have enjoyed in the past. Jane Crane is working on the Maryal Barnett clinic on judging, Dana Bishop is putting together a clinic to teach us how to show our horses in hand, and we will be planning meetings that emphasis grooming, lunging, ring geometry, horse health, rider health, etc...all of the things that are important to our members.

Our meetings have been held every third Tuesday of the month. We are polling members to see if there is a better weekday so that we can increase attendance. Generally only about 6 to 10 people attend the meetings, and most are officers. Please consider coming to all of the meetings and sharing your thoughts and desires for the club. Our next meeting is Tuesday night, March 17, at 7:00 pm at Orion in Collierville. I hope to see you at our meetings. I will be encouraged and excited to see you attend, so please put it on your calendar! Let's make 2009 a great year together!

-Your President, Marsha Klimetz

USDF NEWS

Show news - regarding whips:

For USEF/USDF-Licensed Dressage Competitions, the allowable whip length is 120cm (DR120 & 121). This was effective December 1st, 2008.

For High Performance classes held at USEF/USDF-Licensed Dressage Competitions, the allowable whip length remains 110cm until an extraordinary rule change brings this rule into line with the others. This change is anticipated to become effective the end of February.

New FEI Test Reminder and Young Horse Test Update

As a reminder, the FEI issued new dressage tests for the following levels, effective January 1, 2009: Prix St. Georges, Intermediaire I and Freestyle, Intermediaire II, Grand Prix, Special, and Freestyle, Young Rider Grand Prix, and all Junior and Young Rider tests (including Team, Individual, and Freestyle).

These new test versions must be used by all USEF-licensed dressage competitions and CDI's beginning January 1, 2009, and for all 2009 USEF High-Performance, USEF National, and North American Junior and Young Rider Championships (NAJYRC) qualifying and championships. Of particular note to young riders, the Prix St. Georges test will now be used as the Team Test (not the Individual Test), and a new Individual Test has been issued and must be used.

The FEI has just announced that the FEI Young Horse Tests have now also been updated regarding the deductions/penalty points. The movements remain the same. Mirroring this change, the USEF Dressage Committee has also now updated the USEF Four-Year-Old Test. Please be sure to use the updated score sheets for your Young Horse classes.

In addition, please be reminded that ALL of the above FEI tests have a new coefficient system, which is also reflected in updated versions of the Pony and Children's Tests (although these are not new tests, just updates, as the movements remain the same as previous editions).

FEI tests are available for free download from the FEI website at www.fei.org/Disciplines/Dressage/Organisers/Pages/Dressage_Tests.aspx.

USEF has obtained permission from the FEI for U.S. organizers to use the new FEI tests in a legal-size, double-sided format. Heather Petersen has been kind enough to re-format the new tests and they are available for download from her website at <http://petersendressage.com/Show/FEITests>.

Alltech FEI World Equestrian Games Launches New Website

The Alltech FEI World Equestrian Games has a new look on the web. The World Games 2010 Foundation officially launched a new website for the 2010 Games at www.feigames2010.org.

Brand New Equestrian College Recruiting Website Now Online

When Bridget Imparato, a USEF judge and steward was faced with her son, Michael, being a high school junior, her sights started to focus on college riding opportunities. The difficulties of navigating through the recruiting process led her to start an exciting new website, www.EquestrianCollegeRecruiter.com. This website has become a one-stop location to get college equestrian riding questions answered. High school athletes can post an academic and riding resume along with photos and full-length video of them riding; the athletes are sorted by graduating year and chosen discipline. This creates a unique location for college coaches who are searching for their future college riding team members.

Some deadlines coming up:

Possible Levels and Ratings for USEF - licensed Dressage Competitions are being developed

In 2006, the USEF Board of Directors approved a rule change requiring "levels and ratings" for Dressage Competitions. The effective date has been delayed until 12/1/09 to allow time for development of criteria and standards. The purpose of this rule change was to evaluate competitions for re-licensing using appropriate and fair criteria for each level and rating. [In other words, a small regional competition shouldn't have to meet the same criteria as a regional championship or a high performance qualifying competition.] As the Dressage affiliate organization of USEF, USDF was directed to propose criteria for

Dressage Competitions. Early in 2008, USDF appointed a working group to develop a system for dressage levels/ratings. The attached chart located at the link below, recommending five levels of Dressage Competitions, was approved in principle by both the USDF Executive Board and USEF Dressage Committee at the recent USDF annual convention. Now we are asking for your feedback in order to further refine the proposal.

The chart lists five levels of Dressage Competitions. Levels Three through Five are already in existence and already require separate applications and criteria from USEF and/or USDF. Level Two includes most of the current USEF-licensed/USDF-recognized Dressage Competitions. Level One would be a new lower level of competition which we hope will encourage new competitions in areas which cannot currently afford to hold licensed competitions. The big incentive for Levels One and Two would be the introduction of Dressage "Opportunity" classes. Such classes would not require either USEF or USDF horse IDs or rider/owner memberships, however scores from these classes couldn't be used for national awards.

We look forward to your questions and suggestions in order to improve our recommendations.

The Competition Ratings and Standards Working Group members are Janine Malone, Chair, George Williams, Kathie Moffitt, Veronica Holt, Janet Foy, Anneliese Vogt-Harber, Sally Chionsini, Lendon Gray, Mary Anne McPhail, and Debra Reinhardt.

Dressage Competitions Invited to Submit Applications for USEF/NAJYRC Qualifiers

Lexington, KY – The United States Equestrian Federation, Inc.® (USEF) invites licensed dressage competitions to apply to become an official 2010 "qualifying competition" for the USEF Dressage Developing Programs and the FEI North American Junior & Young Rider Dressage Championships (NAJYRC).

The USEF Developing Programs & the NAJYRC Program include the following:

- USEF National Championships for Juniors, Young Riders, & Young Adult "Brentina Cup"
- FEI North American Junior & Young Rider Dressage Championships
- USEF National Young Horse & Developing Horse Dressage Championships

Competitions licensed for dates from January 1, 2010 – December 31, 2010 will be considered at this time. A completed application for each licensed competition must be submitted and received by April 30, 2009.

Applications received after this deadline will NOT be considered. In an exciting development for this year and to streamline the collection of applications, a new on-line application is available via the USEF website at this link: <http://www.usef.org/IFrames/breedsDisciplines/discipline/allDressage/natdressage.aspx>.

This on-line form allows for easy electronic completion and submission of competition applications.

In Search of North America's Next Dancing Dressage Stars

Freestyle designer Karen Robinson (www.applaudedressage.com) and Mike Matson (www.equimusic.com) are In Search of North America's Next Dancing Dressage Stars. A total of \$1,500 is awaiting the winners: \$1,000 for first place, \$350 for second place, and \$150 for third place. Those placing below third place will get music selected by Mike for their next freestyle.

Interested? If so, here's what you need to do.

1. Submit a video of a freestyle you performed between January 1, 2009 and September 1, 2009. Submissions must be postmarked no later than September 15, 2009. Only one submission per person is allowed.
2. As this is a search for up-and-coming horse/rider freestyle combinations, only First, Second, Third, or Fourth Level USDF Freestyle performances are eligible. With your video include a judge's signed copy of the freestyle test you performed. Only individual freestyles can be entered. Include with the video your name, contact information, your horse's name, age, and breed, and the titles of the music you used in the freestyle.
3. Mike will select the top performances which will then be posted on YouTube by November 1, 2009. The winner will be selected by YouTube viewers. Your name, your horse's information, and the music

information will be included in the YouTube description. The first place winner will be the one receiving the most "First Place" votes in the YouTube "Comments and Responses" section, on the Ultimate Dressage Bulletin Board (UDBB), and on the Chronicle of the Horse (CotH) Dressage Forum by midnight on November 30, 2009. The video receiving the second largest votes for "First Place" will place second, and the video receiving the third largest votes for "First Place" will place third. Each registered YouTube, UDBB, or CotH vote will only count once. Mike will announce the First, Second, and Third place winners and contact those individuals to mail them the checks - just in time for holiday spending!

When you are ready to send your video, contact Mike via his web site for mailing information. Only digital videos in PC/Mac compatible formats will be accepted.

Lastly, don't think a First or Second Level freestyle can't be as good as a Third or Fourth Level freestyle. It's all about the MUSICAL PERFORMANCE! So don't hesitate to send in First or Second Level freestyles. The 2008 winner was a Second Level Freestyle!

Let the Search begin!

WEG Tickets:

USDF is currently hosting a membership drive offering all participating and group members, as of February 11, 2009, the chance to reserve a series of tickets for any WEG discipline. This offer is only available online, and members have been notified that their e-mail must be updated with USDF in order to receive the special offer. Tickets will be available for online purchase March 15 through March 30.

Attention All Sport Horse Qualifiers

Please be reminded that horses earning a score of 77 percent or better in a Great American/USDFBC qualifying class will be eligible to compete in the Great American/USDFBC series final event. Please refer to the USDFBC rules for additional information. New FEI Tests NOT eligible to be used as qualifying tests for Regional Championships Effective 1/1/2009: The FEI has revised two tests: the FEI Young Rider Individual and the Young Rider Grand Prix 16-25. Please be aware that neither of these tests are eligible to be used as Great American/USDF qualifying tests.

For those who weren't able to make it to the USDF Convention in Denver this year, here is where you can read the reports from all the National Councils and Committees.

<http://usdf.org/press/news/view-news.asp?news=287>

Dear GM/PM Delegates and GMO Presidents:

As you know, the proposed fiscal year (FY 2009-2010) budget, which begins on April 1, 2009, was not approved by the Board of Governors during the Annual Convention in Denver. The following motions were passed by the BOG in the context of balancing the FY 2009-2010 budget:

Ken Levy MOVED and Rebecca Yount SECONDED a motion to amend the proposed budget: Resolved by the Board of Governors that: a. The proposed dues and fee increases be struck from the budget; b. Each Council, Committee and USDF Administration budgets shall be reduced by a weighted percent of their budget as compared to the overall USDF proposed expense budget; that for the 2009-2010 budget year, a budget may be adopted that is out of balance to the amount of the depreciation. MOTION CARRIED.

Barbara Cadwell MOVED Gerry Muldrow SECONDED a motion that the national championship be held in abeyance pending further action and that USDF continue to collect the \$10 RC qualifying fee and that the \$2 that currently goes to the NC fund and interest collected from the NC fund be applied to general revenue instead of accruing in the NC fund.

Accordingly, on January 29th on behalf of the USDF Treasurer, Barbara Tuohino Funk, a communication requesting input to the Fiscal Year 2009-2010 Preliminary Budget was distributed to all USDF Council and Committee Chairs. Attached to the communication were two documents, including a document titled; "USDF Budget Balancing Fact Sheet – Recommendations & Request for Council and Committee Input", which contains important background information and instructions for input. Also provided was the new "Fiscal Year 2009-2010 Preliminary Budget".

To keep USDF BOG delegates and GMO presidents in the loop regarding progress being made, these documents are available for review on the USDF Website's financial page.

In reviewing these documents, it is recommended that the document titled "USDF Budget Balancing Fact Sheet – Recommendations & Request for Council and Committee Input" is reviewed prior to the Preliminary Budget because it puts that document in perspective. The posted Preliminary Budget dated 1/23/09 is a working document and provides important information, but the end goal is to show a balanced budget (no operating loss) when the budgeting process is finalized for the new fiscal year which begins on April 1, 2009. The approach being taken is to balance the FY 2009-2010 budget without imposing general dues or fees increases, but instead by reducing expenses and finding new revenue sources.

Please direct questions regarding the documents to the Executive Director, Stephan Hienzsch.

Best Regards, Stephan Hienzsch

USDF Executive Director

DDA NEWS

minutes of DDA board meeting 1/24/09

The meeting was convened by president Michele Renshaw at 5:30 PM at Fair Meadow Farm. Attendees Cheryl Becker, Jane Crane, Sandy Donovan, Laurel Florio, Melissa Garner, Pat Kessler, Marsha Klimetz, Kathleen Massey, Simone Millbright, Michele Renshaw, Sumathira Sathanandan, Tanya Sibley, Tina West, Debbie Yoakum

Awards—Melissa Garner reported that the year-end committee report is in the December Newsletter. Melissa Garner requested that the 2009 committee be given a yearly budget to work from. Based upon the expenditures for 2007 & 2008, Jane Crane moved that a budget of maximum \$2000 be specified for awards/prizes, with expenditures to be monitored as the year progresses. Marsha Klimetz seconded; the motion was passed.

Recognized shows—Michele Renshaw reported that the contracts for Tunica and SSA are signed for 2009. We have no written contract with Clifton Farms for Turkey Trot. Marsha Klimetz will work with Elizabeth Rice to develop a simple, straightforward contract.

Omnibus—Sandy Donovan reported that the 2009 Omnibus should be at the printers within the week. Jane Crane proposed that the club insert a full page ad for the October Maryal Barnett judging clinic, for the cost of \$100. Michele Renshaw moved, and Melissa Garner seconded. The motion passed. Jane Crane will prepare the ad immediately and email it to Sandy Donovan.

Year-end awards—the requirement for attendance at 1 board meeting for members living within 50 miles was reinstated.
